

**HURRICANE PREPAREDNESS VOLUNTARY ID CARDS & OUT-OF-STATE RESIDENT ID CARDS**

The Palm Beach Police Dept is recommending that residents and businesses send their employees and household staff to obtain Town of Palm Beach Voluntary ID Cards. Home-owners, property managers and employees please note that Voluntary ID Authorization Forms will need to be **notarized prior** to arriving at the Police Department. Non-notarized forms will not be accepted. Residents that do not have another form of identification showing their Palm Beach address can obtain an out-of-state Resident Identification Card. The employee or resident **must pay \$15 for the ID Card** (check or cash only, no credit cards). The Voluntary ID and out-of-state authorization form can be obtained from the Police Dept website under the "How Do I?" section or the Police Dept.'s main page under the "Quick Link" green button labeled **Voluntary ID Application** at:

[www.palmbeachpolice.com](http://www.palmbeachpolice.com).

**Community Association Legislative Guide 2018**

CALL'S Florida Community Association Legislative Guide 2018 is now available. The Guide is applicable to all 3 types of shared-ownership communities (condominiums, cooperatives, and homeowners' associations).

FL Capital Bldg.—Tallahassee

Of the twenty-plus community association bills filed during the 2018 Legislative Session, just two community association bills were passed and approved by Governor Scott: HB 617, Relating to Covenants and Restrictions, and HB 841, Relating to Community Relations. The volume of bills filed, however, shows that Florida's legislators remain very interested in community association legislation and how it impacts their constituents. This year's Guide focuses on the two bills that passed but also discusses a few "miscellaneous" bills that passed that may also affect your association. To access the Guide online go to:

[www.callbp.com](http://www.callbp.com)

**Town of Palm Beach Scholarship Award**

Harry Wolin of the Citizens' Association, Mayor Gail Coniglio, scholarship recipient Jaquan Starling, and John Cregan of the Civic Association.

Congratulations to Jaquan Starling who was awarded this year's Town of Palm Beach College Scholarship for children of Town employees during the Town Council meeting on 6/12/18.

The \$3,000 scholarship is sponsored by the Palm Beach Civic Association and the Citizens' Association of Palm Beach and was announced by Mayor Gail Coniglio. Jaquan will be attending Florida International University in the fall.
